Nationally Recognized Testing Laboratory (NRTL)

The following companies are approved by the Occupational Safety and Health Administration (OSHA), Department of Labor, as Nationally Recognized Testing Laboratories under 29 CFR 1910.7. As such, they are acceptable to the City of San Diego for the listing and labeling of manufacturers' electrical equipment. These companies are also acceptable for the field evaluation of non-listed electrical equipment, testing of ground fault protection for equipment, and testing of medium voltage wiring and equipment. Local contact information was provided if available.

OSHA's most current list of NRTLs can be viewed at <http://www.osha.gov/dts/otpca/nrtl>. Verify the scope of the company's accreditation for field evaluation.
